Corbin,

Here is the outline that Kimi provided to me (and I believe Suzanne and Darcy). Based on this outline, what is EJ planning to address and by when? I may not have the most recent outline so if you guys are operating off of a different one, please let me know. I forgot to mention that I did speak briefly to Jean yesterday and she indicated that she would have her piece done by early January. We didn't discuss what she thought her piece of this was. Let's touch base on Monday.

Ex. 5 AC/DP

Thanks,
